

P 2023 PREBLE

VOLLEYBALL

Welcome to Green Bay Preble High School and Today's Event.

Green Bay Preble High School is very proud of its athletic programs. In attending any of our various events our goal is to make it an enjoyable, rewarding and positive experience for the student-athletes, officials, event workers, parents and fans.

Athletics prepares our young people for the challenges of adult life. Life is reflected in athletic endeavors and success is facilitated by:

- Consistent preparation for practice and competition
- A positive attitude
- Dedication to a cause
- Establishing and striving for high standards of conduct and attitude

The Green Bay Preble Athletic Department takes great pride in providing excellent coaches, facilities and equipment. We offer competition that challenges our student-athletes to achieve athletic excellence and to mature and develop as responsible individuals. Integrity, fairness and respect are lifetime values that are taught through athletics and the principles of good sportsmanship. With them the spirit of competition thrives.

The success on the athletic "fields" demonstrates Green Bay Preble High School to be an institution that believes in and pursues excellence in our students – both inside the classroom and outside the classroom.

Congratulations to all our student-athletes and their parents and good luck to you on the upcoming season.

Go Hornets!

Dan Retzki
Associate Principal/Director of Athletics & Activities
