

2024 Preble Girls Volleyball Club Kwik Trip Car Wash Cards Fundraiser

Preble Girls Volleyball Club will be kicking off our first Fundraiser for 2024. We have big goals which means we need your support have a successful 2024!

- Kwik Trip Car Wash Cards will be sold from May 1st – July 31st
- We are asking Athletes sell at least 10 cards.
- Athletes will be provided a Talking Points Sheet and Order Form to help with selling the Car Wash Cards.

Two ways to sell

- To protect athlete eligibility as part of the WIAA amateur status regulations, cash equivalents cannot be provided to the athlete from the booster club. Instead, the following options can be used to sell the gift cards:

PreSales

Using the provided order form, athletes collect orders and money from supporters and use these funds to pay up front for the gift cards. The athlete then delivers the gift cards based on orders collected.

Purchase Cards Upfront

Athletes purchase cards at full value (\$36 each) and sell to supporters directly. Money collected is to reimburse the athlete/family, since all cards were already paid for.
